

Examination Schedule and Promotion Rules

Evaluation is as important as teaching. The unique evaluation system of DAV is devised to develop in the child the habit of being regular, systematic and methodical. These evaluations serve as incentives to hard work and have their diagnostic value both for the teachers and the taught, spread over the whole year of knowledge and learning. Emphasis is laid on objectivity of the concept and the various skills associated with concept of teaching and learning. Question papers are set to make the examination reliable and comprehensive. The activities, projects and home tasks are given special weightage for promotion.

A student is required to score minimum of 33% in individual subject and also in aggregate to be declared promoted. In this regard the amended rules from CBSE, New Delhi will be applied for classes VI to XII. However, we will tend to follow the No detention policy as issued by CBSE/State Govt. for the classes upto Std. VIII.

As CBSE abolished the CCE scheme from session 2017-18, the examination schedule has been re-designed for the classes V to X. The promotion of a student will be based on the amended rules from CBSE which may be circulated by the school time to time.
